4. AGENDA ITEMS

a. RCPP

- Lynne attended a Grow Native workshop Nov 9 at Bradford Farm and noted some possibilities for RCPP proposal
 - There was a lot of talk about grazing w/ a surprising amount of goat producers in Boone County – these may not show up in Assessor records so we'd need another way to reach them
 - Lots of talk about/interest in filter strips
- The County updated the map of Ag producers
 - Ethan at BCSWCD noted that some producers won't be reached through this method – they will help locate producers Assessor misses
- Lynne proposed combining some Hinkson with Bonne Femme efforts and events
 - Lynne said she planned to invite some Hinkson producers to an upcoming Bonne Femme event
 - Efforts and desired results are the same
 - Offers more opportunities to reach residents of each watershed
 - Some economy of scale and effort
 - Everyone agreed that this seemed like a good idea

5. Announcements/Comments

- Bonne Femme Land Management workshop December 14, 8:30 am to 4 pm at the Conservation office, 3500 Gans Rd.

6. Agenda Items for Next Meeting

- a. Update on conservation easements
- b. Update on producers
- c. Ethan Miller from Boone Co. Soil and Water Cons. Dist. on identifying good properties to work with
- d. City-owned Lopez Tract possibilities
