Attendees included: John Holmes, Enos Inniss, Laura Wiseman, Dave Michaelson, Paul Blanchard, Joe Engeln, Lynne Hooper, Dan Obrecht, Barry Poulton, Robb Jacobson, Kori Thompson, Nikki Fuemmeler, and Robert Voss

Minutes

The minutes from the August 7, 2018 meeting were approved.

Discussion Items

1. Update on Sediment Mapping

Mapping was completed. Lynne Hooper displayed some of the field sheets and gave an overview of the notes and findings. Lynne asked for ideas on how to display and analyze the data. Ideas that were suggested include: mapping component, comparison of bar changes, average and max penetration depths, pairing with habitat data, longitudinal profiles, pairing with sinuosity.

2. Team Updates/Other Topics

- Boone County will be collecting grab samples downstream of Flat Branch and Grindstone a few hours after rainfall events. Will be analyzed for total and dissolved metals.
- Commission approved the writing of three articles for publication in Columbia newspapers from the perspective of the Hinkson Creek CAM process. The articles will focus on history, science, and then projects.
- Please let John Holmes know if you will be unable to attend the meetings.
- Science Team Field Trip has been scheduled for October 26, 2018 from 1PM to 5PM. Meet at the Hinkson Creek Recreation area behind the stadium.

3. Next Meeting

The next meeting for the Science Team is set to be held from 3 pm to 5 pm on October 2, 2018 at the Allstate Consultants' Conference Room (3312 Lemone Industrial Blvd, Columbia, MO 65201)
