

HINKSON CREEK COLLABORATIVE ADAPTIVE MANAGEMENT
ACTION TEAM Meeting Minutes
October 17, 2014
9:00 am
MU General Services Building

Action Team Members Present: Steve Hunt, Jennifer Daily, Tom Wellman (proxy), Tom Ratermann, Melissa Scheperle, Bill Florea, Jon White, Nicki Fuemmeler

Staff Present: Erin Keys, Theresa Thomas

1. CALL TO ORDER

The meeting was called to order at 9:08 am by Steve Hunt.

2. APPROVAL OF AGENDA

3. APPROVAL OF MINUTES FROM LAST MEETING

September minutes were approved.

4. AGENDA ITEMS

- Discuss 2013 Bioassessment Report

Based on Dave Michaelson's statements at the last meeting, it seems like the changed MCSI scores will not impact Hinkson's status or change again in the future.

Fall sampling of the creek occurred last week. Wondering if "flushing" from recent heavy rains "cleaned" the areas of microinvertebrates.

We should continue to investigate and push to get lower half of Hinkson off this listing as it acts like a different type of creek than the rest of the Hinkson.

- Fish Study Proposal

Todd Houts is still arranging a meeting with Gary Ward, Amanda Rosenberger, Jason Hubbard, Karen Miller and Barbara Hoppe. It has been difficult to find an agreeable time.

- City – Oak Forest Detention Basins

Corps hired HDR to study the basins for potential WQ retrofits in addition to meeting flood protection. City met with HDR (Trent Stober, John Dillinger, Eric Dove) and Corps (Scott Guard). Part of the scope of work includes a presentation of findings, will plan for HDR to give that presentation to stakeholders and other CAM teams.

- Early Actions

- Forum Level Spreader Monitoring Proposal

Forwarded to the Science Team. It is on the agenda for their October 29 meeting.

- Financial Reports of money spent on CAM and Hinkson since April 2012

MU has a list that they will review with Gary Ward before adding into the Google Document.

Tom added some updated costs for projects.

BCRSD will add some projects.

MODOT will add the Focal Point BMP. (As a side note, the Focal Point and Flexamat are working well).

- Regulatory Update

MODOT negotiating draft consent decree for land disturbance violations on the Hwy 54 and Hwy 67 projects.

MDNR getting ready to reissue revised MS4 general permit for public notice. The TMDL implementation language should go away.

401 certification fee is going up from \$75 to \$1500

401 certification meeting on Monday, October 27 from 1 to 4 pm in Jefferson City

Ruth Wallace is retiring.

5. ANNOUNCEMENTS / COMMENTS

- Water Protection Forum on November 5, 2014 from 10am to 12 pm in Jefferson City
- Science Team Meeting on October 29, 2014 from 3 to 5 pm at Allstate Consultants
- Stakeholder meeting – unknown
- IECA conference in KC on Oct 28/29

6. AGENDA ITEMS FOR NEXT MEETING – November 21, 2014

7. ADJOURN

Meeting adjourned at 10:08 a.m.
