## Minutes

The minutes for April 2024 were approved. The May meeting was cancelled.

## Discussion Items

1. Sensor deployment change of ownership – Sean Zeiger has taken a new position and will not be able to continue maintenance of the sondes he had operating in Hinkson Creek. Sean has coordinated passing the sondes to Alba to continue data collection efforts.

2. Updated Executive Summary for Science Strategy – Further discussion and review of the draft executive summary. Robert will make suggested edits and post new version to Basecamp.

### **Next Meeting**

The next meeting for the Science Team is scheduled from 3 pm to 5pm on July 9, 2024, via web interface call.
